**PRESS RELEASE**  
**LEE COUNTY CORONAVIRUS NUMBERS**

Due to DSHS Region 7 updating their reporting system on Monday of this week we are unable to give a report on the numbers of cases in Lee County this week.

This update has caused an excessively large number of new cases in the system. The Lee County Health Officer is currently cross referencing these cases with existing cases to get an accurate number before we release any information to the public.

Thank you for your patience and please continue to help us in this fight against this deadly disease.
